Monday 5 October

Dear Parents/Carers

Year 11 - After School Catch Up Sessions

Throughout this academic year, we will be running after school sessions for Year 11 students. The aim of these sessions is to support students with the curriculum content from the school closure period and any other additional gaps they may have in their knowledge or understating.

The first round of after school catch up sessions will be starting on **Monday 12 October**. Sessions will run from **3.30 pm until 4.30 pm**.

The schedule for the first block of sessions can be found below. This can also be viewed on the Student section of Frog.

These sessions are voluntary, but we will be encouraging specific students to attend to support their studies.

Due to COVID-19 restrictions, we have arranged a sign-up sheet on Frog and all sessions will have a limited number of places. This information will also be used to arrange for an additional Year 11 coach to leave school at 4.30 pm. The sign-up page can be found on the student front page of Frog or by searching for 'after school catch up' on Frog.

Students will be made aware every time a new block of sessions is released on Frog to allow them to book their own sessions.

As staff have kindly volunteered to run these additional sessions after school, there will be a zero tolerance towards disruptive or negative behaviour. As students are choosing to attend these additional support sessions, we are not expecting this to be a problem.

If you have any further questions, please do not hesitate to get in touch.

Yours sincerely

Mr J Pretty
Assistant Headteacher
