Dear Parents/Carers

Year 7 Meet the Tutor Parents' Evening

On Thursday 8 October we will be holding a 'Meet the Tutor' Parents' Evening for parents/carers of students in Year 7. This is an opportunity for you to have a short meeting with your son/daughter's tutor to discuss how they have settled into life at Backwell School. Under normal circumstances we would hold this event at school, however this year due to the Covid-19 pandemic we will be undertaking it via video call.

For all our parents' evenings we operate an online appointments booking system. This allows you to choose your own appointment time with teachers and you will receive an email confirming your timeslot. Teachers will be available between 4.00 pm to 6.45 pm and each appointment will last 5 minutes. This same system will also be the means by which the video call with the teacher will take place.

The online appointment booking system will open at **6.00 pm on Thursday 1 October**, and will close at midday on Thursday 8 October. Should you wish to make any changes after this time, or if you do not have access to the internet, please contact the school office, who will be happy to help.

Please visit <https://backwell.parentseveningsystem.co.uk> to book your appointments once the system opens. A short guide on how to make an appointment is included overleaf.

In addition to the tutor meeting there will be presentations from Mathematics, English and Science, as well as an introduction to our FROG Home Learning platform. Each presentation lasts around 10-15 minutes and will be available to view at your leisure from 8 October via the '[Curriculum' page](#) on the school website.

In order to attend our virtual parents' evening you will need to have as a minimum:

- A device with a microphone and speaker
- A compatible web browser:
 - iPhone/iPad: Safari
 - Android: Chrome or Firefox
 - Windows: Chrome, Firefox or Microsoft Edge (latest version only)
 - Mac: Safari, Chrome or Firefox
 - Linus: Chrome or Firefox

Full details on how to attend your appointment are given on the attached instructions. One key thing to note is that it is **essential to be on time** for your appointment. If you are late, or leave and re-join the call, it does not reset the timer. The appointment will always end at the scheduled time. The teacher is not able to override the system.

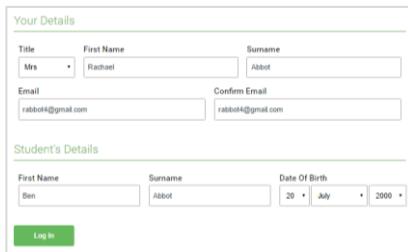

We look forward to seeing you on Thursday 8 October.

Yours sincerely

Mr P Stephens
Assistant Headteacher
Head of Year 7

Parents Evening Video Appointments: How do parents attend appointments over video call?

In order to attend our virtual parent's evenings you will need to have as a minimum:

- a device with a microphone and speaker
- a compatible web browser:
 - **iPhone/iPad:** Safari
 - **Android:** Chrome or Firefox
 - **Windows:** Chrome, Firefox or Microsoft Edge (latest version only)
 - **Mac:** Safari, Chrome or Firefox
 - **Linux:** Chrome or Firefox

We recommend:

- Using your smartphone for video appointments.
- Using a headset (or earphones with a microphone) to reduce echo.
- Logging in early to check your camera and microphone work (you could then log out and back in just before your appointment is due to begin).

No app is required, but please ensure that you allow the website to have access to your camera and microphone when prompted.

On the day of your appointments:

1. Log in and go to the Evening

Login at the usual address backwell.parentseveningsystem.co.uk, or click the login link from the bottom of the email confirmation you will have received. Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a “*Join Video Appointments*” button. This will become available 60 minutes before your first appointment.

2. The Video Call screen

When you click “*Join Video Appointments*” the video call screen will be displayed. You may at this point be asked to allow access to your camera/microphone, in which case please click yes. On this screen you can see the following:

- At the top left the teacher name (and subject details) for the current and next appointment
- At the top right a countdown to the start of the appointment.
- At the bottom the controls for the microphone and camera (once a teacher is available or you are in a call these also show a pick up and hang up button).
- In the middle, when your appointment is due to start, the *Start Appointment* button.

3. Making a call

Click the “*Start Appointment*” button. You will see yourself in the bottom right corner of the screen. If your video is not working, then you will need to change some settings on your device. For example on iPhone you may need to open the settings app, then choose “Safari” and scroll down to “Camera & Microphone” and change to “always allow” or “ask”. Guidance for troubleshooting a wide range of devices can be found here:

<https://support.parentseveningsystem.co.uk/article/807-video-troubleshooting-camera-and-microphone-access>

If the teacher has not yet joined you will see a notice to that effect in the centre of the screen.

When a teacher joins a call you will see them in the main part of the screen and can start your discussion with them. You will also see the remaining time for the appointment counting down in the blue bar at the top of the screen.

If you lose access to the system for some reason during the call, log in again and click “*Start Appointment*” on the video call screen. As long as the teacher is still in the call this will let you continue with the appointment (this is the same for the teacher if they lose their access). When the countdown in the blue bar stops the appointment time is over and the call will automatically end.

Note that if you or the teacher are late, or leave and re-join the call, it does not reset the timer. The appointment will always end at the scheduled time.

4. Follow on calls

If you have a consecutive appointment scheduled the screen will display a “*Start Next Appointment*” button. When you are ready to proceed, click on it

Note that if you delay starting a call it does not extend the duration for that appointment. The appointment will always end at the scheduled times.

If you do not have a consecutive appointment, but you have not completed your final scheduled appointment you will see a countdown telling you how long until the start of your next appointment. Once your final appointment for the evening is complete you will see a message advising you of this.

This guidance is demonstrated in the first 1 minute 30 seconds of the following video:
