Home Study for Year 12 and Leaving the School Site

Due to COVID-19, we are allowing students in Year 12 who do not have a timetabled lesson in session C to leave the school site from the beginning of break 2, at 12.50 pm. For Health & Safety and Safeguarding purposes, students leaving the school site must sign out in the Sixth Form foyer and should not then return to the school site. Their lanyard will allow them to leave school using the main gate. Students should still consider this session as a study period and work at home. This is also excellent preparation for increased Home Study in Year 13.

Students will not be allowed to leave the school site during break 1.

Students who have free (study) lessons in sessions A and B will be required to remain in the Sixth Form Common Room, or in SF4 if they have dedicated Supervised Study on their timetable.

We look forward to welcoming everyone back on Monday!
