October 2019

Dear Parent/Carer

Key Stage 5 - A Level Design Technology

As you are aware, your son/daughter is studying A Level Design Technology (Eduqas examination board).

By the end of the year, students will have made a range of products, using a variety of different materials. The products are made using materials and equipment provided by the school. To help cover the cost of these resources and associated equipment, we would like to ask for a contribution of £10 per student.

Payment should be made via www.parentpay.com, the school's online cashless payment system **by Friday 25 October**. If you have any problems accessing the service, please contact the Finance Team on 01275 465941.

In cases of financial assistance, please contact Mrs Gumm, the Business Support Manager, who will be able to provide information regarding the 16-19 Bursary Fund. This is available to post-16 students who are in receipt of Free School Meals or whose parents/carers receive Child Tax Credit or Universal Credit.

Yours sincerely

J Lewis
Head of Faculty
