## BEFORE THE EXAMS

### Statement of entry (pink)

- This is a list of all the exams that you have been entered for.
- You need to check it carefully to make sure there are no errors or omissions.
- If it is correct:
  - Sign and date the declaration on the pink copy and return it to the Exams Office as soon as possible. (The white copy is yours to keep.)
- If there are any errors or omissions:
  - You **MUST** discuss this with your teacher as soon as possible.
  - You should note any changes needed on the pink copy, get your teacher to sign to confirm the changes and then make sure that you hand this to the exams team as soon as possible.
- If you are unsure about any of your entries:
  - Come and ask the exams team.
- It is very important that you return this form by the date shown, so that any amendments can be made without incurring a charge. Late changes may be possible, but you will be charged for any fees incurred as a result.
- If changes have been made you will be issued with a revised statement of entry, which should be checked, signed and returned as soon as possible.

## BEFORE THE EXAMS

### Individual detailed timetable (green)

- This gives details of the date and times of all your exams **as well as** your individual room and seating allocation.
- It will be issued via tutors at the beginning of Term 5.
- It is very IMPORTANT - you will need to refer to it for EVERY exam for information on rooming and timing. It is unique to you, so you cannot rely on your friends being in the same room.
- You are advised to take a copy of your timetable to display at home, so that you and your family can see it and you all know when you should be at school taking an exam.
- If you lose your timetable you can get a replacement from the Exams Office, but there is a charge of 50p for this. We suggest you take a photo on your phone/copy of it as soon as possible to avoid the need for a replacement.

## **BEFORE THE EXAMS**

### **Centre Assessed Marks – Review of Marking**

- Candidates will be informed of their centre assessed marks prior to them being submitted to the exam board.
- Candidates may request a review of marking where there are concerns about the mark.
- All requests for a review of marking must be made in writing to the Exams Office, and there are strict deadlines which must be observed. Students will be made aware of these dates, and they are also published on the school website.
- Candidates should be aware that marks can go down as well as up following a request for a review.
- Full details of the school policy and process to be followed can be found at the back of this booklet (pg 18), as well as on the school website.

## DURING THE EXAMS

### Start times

- The **usual** start times are 8.55 am for morning exams and 1.30 pm for afternoon exams, but there may be occasions when these have to be varied. Always refer to your individual timetable for definitive start times.
- Please be outside the exam room **15 minutes before**.

### Malpractice

- **Mobile Phones**
  - Mobile phones/smart watches or any web-enabled devices are NOT allowed in the exam room. If you are found with one in your possession once the exam has started, we are required to report you for malpractice and you will face disqualification from at least that paper (whether or not you were using the device).
  - We recommend that you leave all such devices at home. Otherwise they will need to be left in your bag during exams and we are unable to guarantee the safety of any such devices
- **Social Media**
  - Malpractice linked to exchanging, obtaining, receiving or passing on assessment related information via social media is increasing.
  - If you become aware of any such activity, you must report it to the exams team immediately.
  - Failing to report to your centre assessment related information being shared online, or passing on rumours of exam content is malpractice and you may face disqualification from your exams.
  - Full details of Joint Council for Qualifications (JCQ) exam rules and regulations are available on the main school website under the curriculum tab.

## **DURING THE EXAMS**

### **If you are late**

- Notify the exams team IMMEDIATELY on 01275 465943.
- Depending on the circumstances, it is likely that you will still be able to take your exam. However, there are strict regulations that must be complied with, so it is vital that you speak to someone from the exams team as soon as you know you will be late, so that we can make the appropriate arrangements.
- You should be aware that if you are very late the Exam Board may not accept your paper and you may not be given the full time allowance for the paper.

### **Temporary Injury**

- If you have any temporary injury (eg broken arm) that may require special arrangements to be put in place, please let the Exams Office know as soon as possible.

### **If you are ill**

- If you are unable to attend due to illness, notify the exams team IMMEDIATELY on 01275 465943.
- You may still be awarded a grade for this exam by making an application for special consideration for a missed exam. The regulations depend on a number of factors, and the exams team will be able to advise on the specifics for your particular circumstances.

## DURING THE EXAMS

### Special Consideration

- Special consideration is a post-examination adjustment to a candidate's mark or grade to reflect absence, temporary illness, temporary injury or some other event outside of the candidate's control at the time of the assessment which affects their performance in an exam.
- Applications for special consideration can only be made by the school and will only be made in exceptional circumstances, such as serious illness, bereavement and other major traumas.
- It is not available for long term conditions – any adjustments required in these cases should be accommodated through the provision of access arrangements if appropriate.
- Normal exam anxiety does not qualify for special consideration.
- If you wish the school to make a special consideration application for you, you will need to complete a Self-Certification form (available from the Exams Office) specifying dates and exact reasons. You will need to get this authorised by Mr Conkie, Mr Houghton or Miss Haywood (sixth form) before returning it to the exams team. This should be returned as soon as possible – the Exam Boards operate strict deadlines for making such applications.
- Supporting evidence is not essential, however, it will support your case if available and so we recommend you supply it if possible.

## **DURING THE EXAMS**

### **Contingency Day**

- Wednesday 24 June 2020.
- This day has been set aside by the Joint Council for Qualifications in case exams boards need to postpone or rearrange an exam due to “sustained national or local disruption”.
- All exam candidates should be available to sit exams from the start of the season in May until Wednesday 24 June 2020.

## **Reviews of marking - centre assessed marks (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments)**

Backwell School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Backwell School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Internal standardisation and moderation will ensure consistency of marking, this is particularly important where several subject teachers are involved in marking candidates' work.

1. Departments will ensure that candidates are informed of their centre assessed marks and that they are aware of the relevant deadlines so that they may request a review of the centre's marking before the marks are submitted to the awarding body.
2. The School will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment. This is the pre-review request and should be made in writing to the Exams Office.
3. The Exams Office, having received a pre-review request for copies of materials, will inform the necessary Curriculum Leader/Subject Leader who will promptly make them available to the candidate. These materials will usually include a copy of their marked and annotated work along with relevant assessment schemes and relevant pages from the course specification.
4. The School will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision. A deadline by which the candidate can request a review of marking will be clearly stated.

5. Requests for reviews of marking **must** be made in writing to the Exams Office. A candidate cannot request a review simply because they do not like their mark. A specific issue must be identified e.g. 'Section of work not credited towards an assessment objective (AO) and they believe it should be' or 'insufficient time given in class for NEA'. **Candidates should be aware that marks can go down as well as up following a request for a review.**
6. The School will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
7. The School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review. This could be a subject specialist from another school but will usually be the Subject Leader or another senior member of the department.
8. The School will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the Head of Centre. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, all candidate marks will be reviewed and the awarding body will be informed immediately.

This internal review process is a regulatory requirement, and is in place to ensure consistency of marking within the centre. After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of Backwell School and is not covered by this procedure.
